MAKE ROOM

As a committed member of Lake City Church, you passionately invest your time, talent, and treasure into our faith community, and you desire to make a greater impact for the Kingdom of God.

You play a huge role in the mission to reach more people with the hope of the gospel and to create an atmosphere where people encounter and are transformed by the presence of Jesus!

The problem is that our current physical space has become a barrier to reaching more people and expanding the Kingdom of God.

Just like our town of Mooresville has been growing and bursting at the seams, Lake City Church has been growing and literally running out of room. We've recently expanded to three Sunday morning services, which are all now at or nearing full capacity. Each week, our kids classes are overfilled, the parking lot is jam packed, and we often run out of seats in the auditorium.

So, here's the exciting news! **We are going to Make Room.** We want to invite each of you to partner with us as we invest in a significantly expanded, purpose-built facility.

This new space will accommodate our growing congregation, provide larger areas for adults and children to engage in meaningful worship and discipleship, create more meeting spaces for life groups, provide spaces for fellowship and play, and create ample office space for our expanding leadership team.

We are inviting you to help us Make Room by making a faith commitment of financial support. You can play a vital role in helping us avoid the tragedy of turning away newcomers due to lack of space, and instead, creating a welcoming environment where families can encounter Jesus and experience His grace and healing.

This is not just about constructing a larger building, but about expanding the Kingdom of God in Mooresville and beyond. As we embark on this journey together, **the result will be a church better equipped to fulfill its calling.** You will be part of the exciting story of transformation for countless families in our area.

Your commitment to this vision will leave a lasting impact. Remember, we're not just building walls and roofs; we're making room for God to move!

A BIGGER **VISION**

**I will look favorably upon you,
making you fertile and
multiplying your people...
You will have such a surplus
of crops that you will need to
clear out the old grain to
clear out the old grain to
*make room
for the new harvest!***

- Leviticus 26:9-10

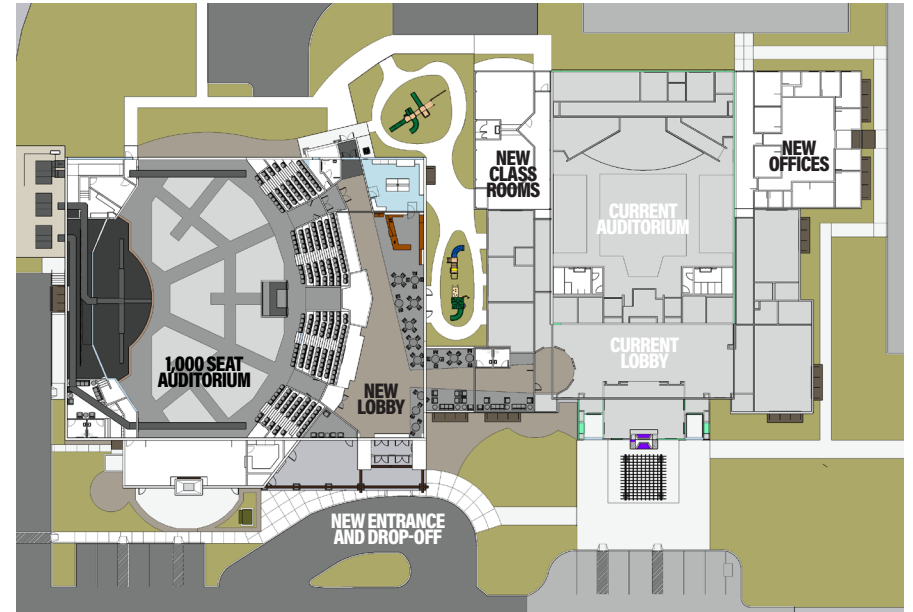

We are seeing incredible growth at Lake City Church.
Lives are being transformed by the gospel, families
are experiencing hope and healing, and the Spirit of
God is moving.

But there's much more to come! We need to make
room for the new harvest!

APPROXIMATE ANNUAL NUMBERS

WHAT OUR FUTURE LOOKS LIKE...

New 1,000-Seat Auditorium & Lobby

The new addition will include a 1,000-seat auditorium, a new lobby, new kitchen and coffee-service areas, bathrooms, a fireside room, and a large covered porch.

Kids Classrooms & Lead Team Offices

There will be expansions on either wing of the current building: two new large classrooms added on the pre-school side plus an office addition on the west side of the building facing the side parking lot.

Renovation of Current Auditorium

The current auditorium will be renovated to add bathrooms and create an amazing meeting space for Kid-City on Sundays, YTH Ministry on Tuesdays, and other larger groups throughout the week.

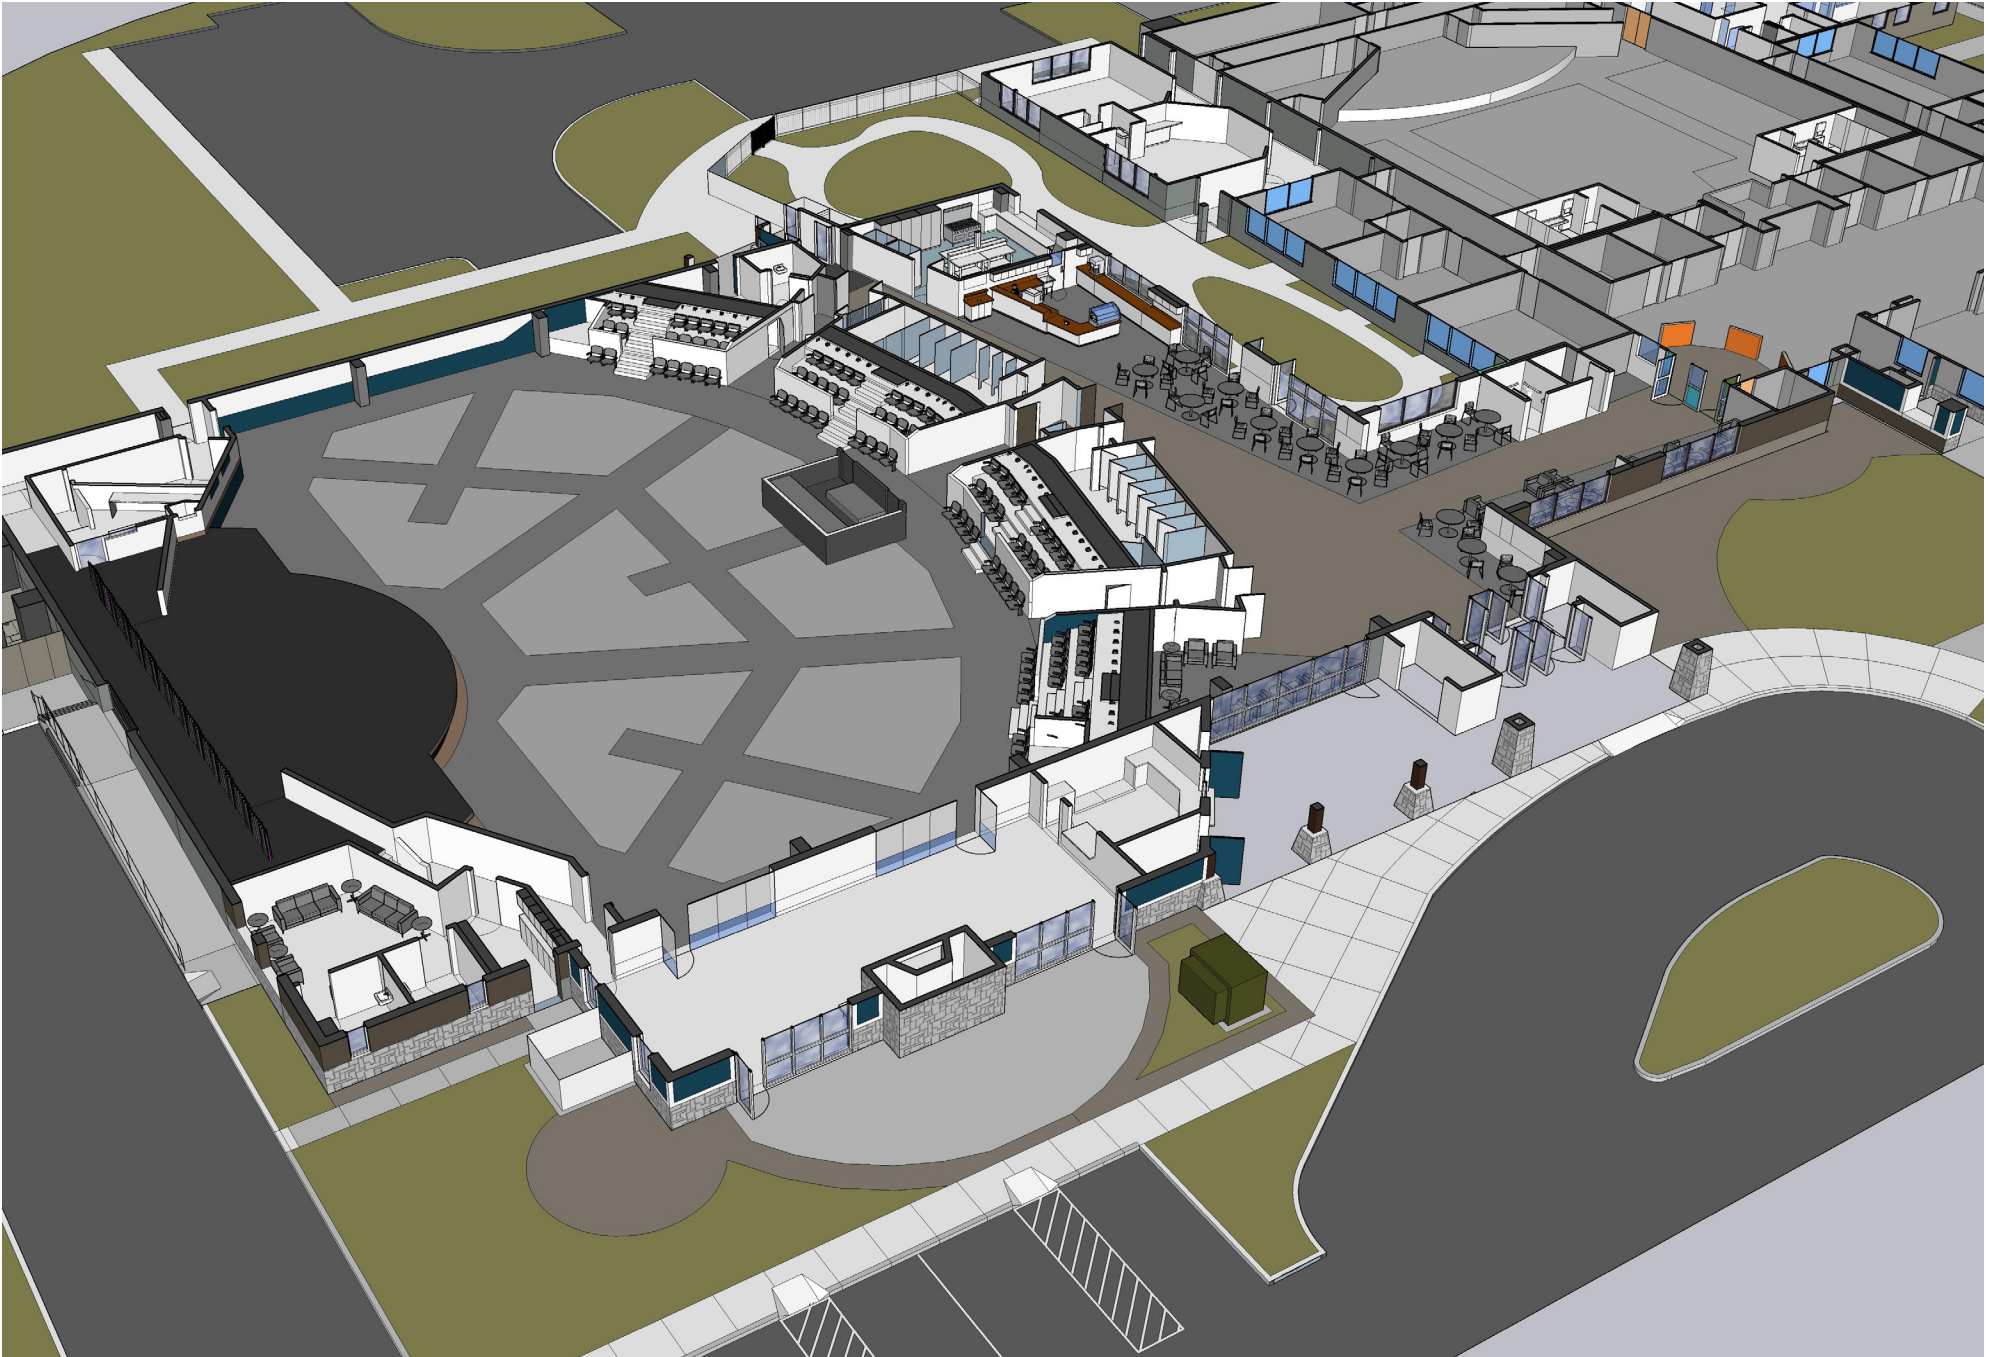

Expanded Parking Lots

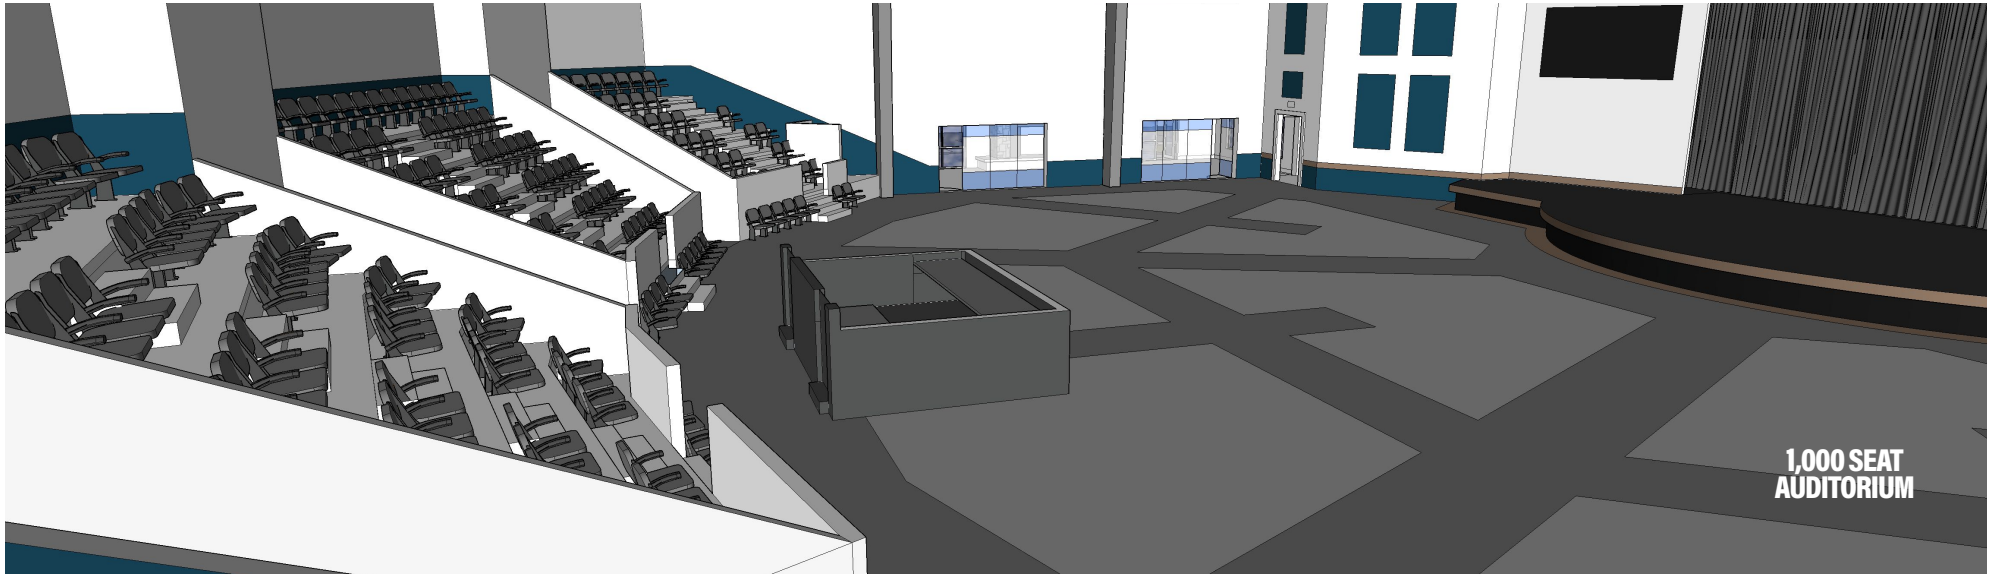

We will also expand the parking lots to accommodate larger gatherings on Sunday morning.

THREE PRIORITIES

1. GROWTH

As we increase numerically, we simply have to expand our facilities to allow the space for this growth.

We need to MAKE ROOM for more seats in the auditorium, more space for youth ministry, kids ministry, life groups, Celebrate Recovery, men's and women's ministries, offices, bathrooms, parking, storage, and more!

LET'S MAKE ROOM TO GROW!

2. HOSPITALITY

This project is also about preparing our teams and creating the necessary spaces for the thousands of visitors we will receive over the coming years.

From the welcome center to the parking team, from coffee service to kids check-in, we need to expand every space and think strategically about how to make every visitor feel welcomed.

LET'S MAKE ROOM TO SERVE!

3. SAFETY

As we continue to grow and expand our spaces, safety remains a top priority for Lake City Church.

Many of our current classroom and kid spaces are regularly overcrowded and not ideal for managing safe and proper child:teacher ratios. Expanding our kid spaces will allow us to serve more families more effectively and more safely every week!

LET'S MAKE ROOM TO PLAY!

YOUR OPPORTUNITY

You passionately invest your time, talent, and treasure into our faith community, and desire to make a greater impact for the Kingdom of God.

We are inviting you to help us **MAKE ROOM** by making a faith commitment of financial support. Your commitment to this vision will leave a lasting impact. Remember, we're not just building walls and roofs; we're making room for God to move!

FAQ

How much should I donate?

Please pray and ask God for guidance. Then use the Impact Chart on the Faith Commitment cards to help you plan out your weekly, monthly, or annual giving amounts.

Should I redirect my regular giving/tithe to this project?

No, we encourage you to continue giving your regular tithe to the general church budget, which helps us with normal operating costs. Consider the MAKE ROOM Faith Commitment a special period of giving that is above and beyond your regular tithe.

Can I donate something other than cash?

Yes, on the Faith Commitment card there is a space to list a gift of stocks, real estate, or other assets. Please email info@lakecitychurch.org if you have questions related to non-cash donations.

Are donations to MAKE ROOM deductible on my taxes?

Yes! All contributions made to the Make Room building expansion project are tax deductible.

Why do you ask for a two-year commitment?

Contributions do not have to be broken up over two years. However, most people find it easier to plan and follow through with weekly or monthly giving over a longer period of time.
